

U.S. Army Corps of Engineers (USACE)

CONFINED SPACE ENTRANT LOG

For use of this form, see EM 385-1-1; the proponent agency is CESO.

The purpose of this form is to provide a standardized procedure for supporting an accurate tracking of entrants in a confined space. Maintaining an accurate log will enable emergency/response rescue personnel to know precisely who and how many entrants are in a confined space at a given time.

Project/Location/Space ID	Attendant Name
---------------------------	----------------

Date	Entrant (<i>Print Name</i>)	Time In	Initials	Time Out	Initials	Company/Organization
