_____ recommend _____ as a volunteer peer supporter in the US Army Corps of Engineers
Select Recommendation *Insert Name of Applicant*

Critical Incident Stress Management Program

(Supervisors are requested to submit this form to the Commander or their designee.)

Supervisor Comments:

This form serves as notification to the USACE CISM Senior Leadership Team of a supervisor's intent to recommend and support their employee in the execution of the USACE CISM Peer Supporter mission, which includes: a peer supporter's labor for deployments (1-3 days average), a 5-day annual training, participation on team committees, teleconferences, reference material creation, and possible long term (30 day) CISM on-site deployments. The USACE CISM Team will provide funding for travel and per diem for training and deployment activations.

Supervisor Signature: *(digitally sign application by clicking on signature block and select "sign".)*

1. Supervisor's Name	2. Date	3. Supervisor's Signature
4. Commander Endorsement: I support _____ for participation in the CISM program.		
5. Commander Comments (<i>Optional</i>)
